Principal's Message

Highlands 2010 - 2011 Principal's Message for the Yearbook.

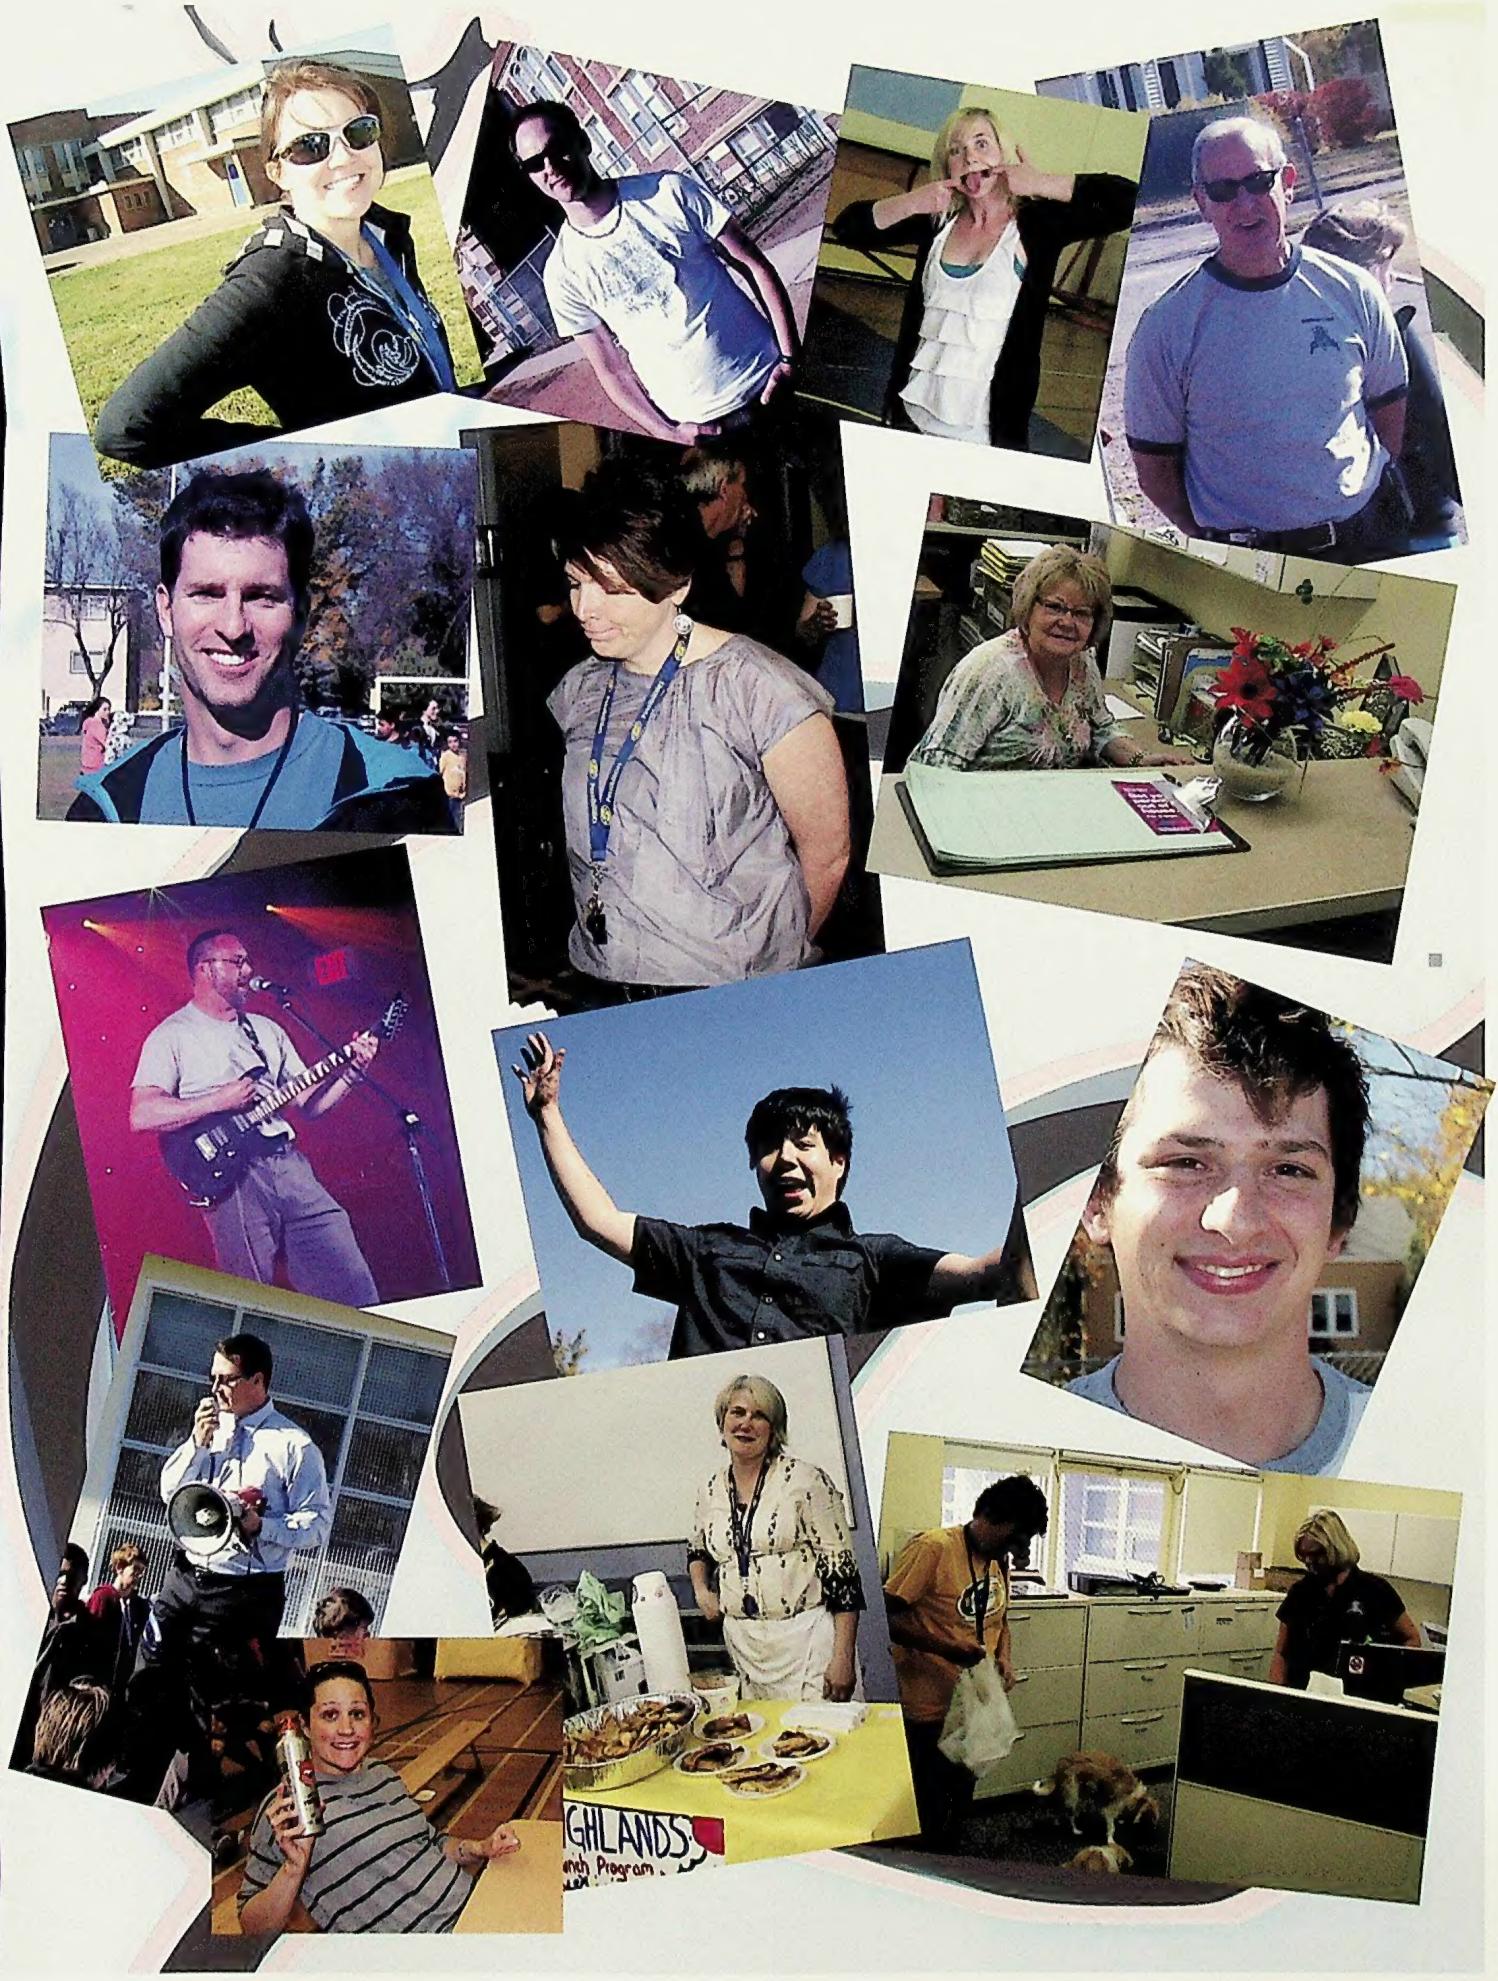

This school year has been one of many changes - a number of staff members who had been at Highlands the previous year had moved on to other challenges, but were then replaced by other top notch teachers. As always, Highlands School continued with a tradition of excellence.

The year was a good one for our 205 students. The new motto was initiated and followed as we did Learning with Respect, Responsibility, Pride. Many students had the opportunity to do learning both inside and outside the classroom. Events like H.O.G. Days and the Christmas Luncheon were exciting and fun, and gave us the chance to do a different sort of learning. A number of students were able to take part on our school teams - soccer, volleyball, basketball, cheer, track and field. Some found great success on the wrestling team - two city champions and a bronze medalist and on the badminton team - silver medalists. Many experienced a winning season on the slo-pitch team as they went undefeated in league play and playoffs to become city champions! The Aboriginal Club provided students with a chance to connect with their culture. The SEVEC exchange took seventeen students to Quebec City for a week, and then we hosted Quebec students here. Grade eight and nine students went to the Citadel for the performance of the Rick Hansen story.

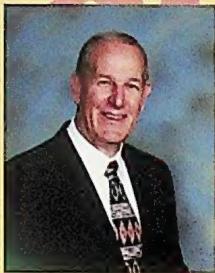

During the year, Mr. Glen Wilcox received a promotion to acting Principal at another school, and Mrs. Shannon Gilson stepped in to be the Assistant Principal for the last half of the year. At the end of the year, again a number of staff members moved on to other challenges at other schools. The end of this year also was the end of the career of Mr. Tor Janisch as he moved into retirement. For twenty five years Mr. J. was a fixture at Highlands, and will be sorely missed.

We hope that this yearbook provides you with many fond memories of the 2010 - 2011 year at Highlands School.
